*While Hopleaf is unabashedly a beer-centric venue, we love wine too! Since many of our customers need an extra incentive to try our wine offerings, we've made a unique wine program that warrants everyone's attention.*

# WINES IN BOTTLES AT HOPLAUF

*Reds—\$50 Whites—\$40*

*Rosés—\$40 Sparkling—\$40*

*For your convenience we've listed the wines in the following format:*

(#) **Producer, Wine Name, Vintage, Appellation/Region**  
(Grape Varietals)  
Description, with ABV%....

## BOTTLED WINES AT HOPLEAF:

Our bottled wine mission statement starts with a proclamation: *Bottles of wine in restaurants are too expensive!* At Hopleaf, we don't depend on wine sales to subsidize our kitchen. We sell a LOT of beer that does that. We want to offer an exceptionally fine selection of wines, from some of the best producers in the Old and New Worlds, to those who prefer wine or who are taking a break from beer for an evening.

We also believe that many times people shop by price instead of choosing what best suits their food or the occasion, so we have a one-price list. This means: *All \*reds are \$50 and all whites and rosés are \$40.* We buy in a narrow wholesale window and accept very narrow margins so that all of our wines are terrific values, sometimes cheaper than retail. You will not find any wine on our list for less at any restaurant. (*\*the few exceptions are noted.*)

Our list is a bit Euro-focused but we have a selection of New World wines as well, many with Old World sensibilities. We are exceptionally proud of our bottled wine program and invite you to take a detour from the grain to the grape on occasion. We think you'll be delighted.

## WINES FROM LUCCA, ITALY

*Hopleaf owners Michael and Louise have been visiting Lucca for years and have had the pleasure of forming relationships with some of the local wine producers. The wines of Lucca are a rarity on American menus; most bottles are consumed locally. We think when you try them you'll know why they don't much care to share these wonderful wines beyond their borders. We are proud to share our little secret with our customers.*

### REDS

- (4,2) **Tenuta di Valgiano, Palistorti, 2016 Colline Lucchesi** (*Merlot, Sangiovese, Syrah*)  
A nice balance of acidity to plump ripe red & black berries along with slight hints of cedar wood & minerals. 100% organic and biodynamic from oenologist Severio Petrilli, an evangelist for biodynamic agricultural practices. 14%
- (2,1) **Tenuta di Valgiano 2016 – \$60** (*The exception to our rule*) (*60% Sangiovese, 20% Syrah, 20% Merlot*) A nose that expresses elegance & aromatic refinement. Fragrant aromas of ripe fruit w/hints of spices & minerals; an intense, enduring bouquet. Volume on the palate is delightful with the pleasant sweetness of the fruit; structure develops with a dense texture of mature, soft tannins that ensure length & delicious aftertaste. A balanced, high-class wine that will develop over the next 20 yrs. 14.5%
- (4,4) **Tenuta Lenzini, Merlot, 2014 Colline Lucchesi** (*Merlot*)  
The Colline Lucchesi DOC, established in 1968, is named for the hills to the north & east of the town of Lucca. This vintage of Lenzini's Merlot won first prize in its category at the 2012 Slow Food Terra Madre Festival in Torino. Biodynamic & organically produced. 14%
- (4,7) **Buonamico, Cercatoja, 2015 Montecarlo (near Lucca)** (*Sangiovese, Syrah, Cabernet Sauvignon, Merlot*)  
Intense and complex nose, with jammy black fruit, tobacco, cedar. Aged for 18 months in French Oak. Organically produced. 14.5%
- (1,7) **Buonamico, Il Fortino, 2012 Montecarlo (near Lucca)** (*Syrah*)  
The combination of fruit and 18 months in French Oak creates a seriously rich & structured wine with intense aromas of fruits, mixed with vanilla & spices. Though not traditionally associated with Tuscany, the Syrah grape is particularly well-suited to this region, where it has developed a unique character in keeping with the traditions and viticulture of this special place. 14.5%

### ROSÉ

## OLD WORLD

- (6,4) **Marco & Vittorio Adriano 2013 Barbaresco DOCG** ITALY  
Enticing scents of fragrant blue flower, ripe red berry, baking spice, menthol and new leather lead the way. Fresh and elegant, the palate delivers juicy red cherry, raspberry, cinnamon, white pepper and licorice while firm, polished tannins lend structure and a smooth mouthfeel. 14.5%
- (2,3) **Alto Moncayo 2014 Campo de Borja** (*Garnacha*) SPAIN  
Rich, full-bodied & muscular, this wine of riveting intensity pours inky-purple. Smoky, charred & minerally on the nose, w/balsamic berry aroma & lots of dark spice. A region of newfound interest among wine lovers. 16%
- (3,1) **Château Baucastel Coudoulet de Baucastel, 2016 Côtes du Rhône** (*Grenache, Syrah, Mourvedre*) FRANCE  
This wine from a well-known producer of Châteauneuf-du-Pape, boasts a deep ruby/purple hue and abundant aromas of framboise, black cherries, truffles & herbs. Spicy, peppery, rich and medium- to full-bodied, with silky tannins. Luscious, with hints of thyme on the palate. Having a steak? This is your wine. 14%
- (4,5) **Pietro Beconcini, Vigna Le Nicchie 2012 Tempranillo, San Miniato** (*100% Tempranillo*) ITALY  
This is the product of a totally unexpected discovery in San Miniato, of centuries-old tempranillo grapevines in an ancient vineyard. Cuttings were sent to a laboratory in Piemonte for DNA analysis that revealed their ancient origin; that the 8th Century pilgrimage path Via Francigena passes through this property may offer an explanation as to how this decidedly Spanish grape was planted, intentionally or not, here and nowhere else in Italy. The clusters from these ancient vines are picked in the first week in September into small 5kg boxes, brought to the drying loft and allowed to dry naturally until mid-October, reducing 25% of their weight. They are fermented with much more than normal skins and seeds, giving the wine a finer quality of acids and tannins, as well as a distinctive array of aromas. It requires lengthy maturation and aging in 70% French and 30% American oak. After 12 mos., the final wine is blended from the various barrels, racked, and then given an additional 12 mos. aging in the same barrels. After 2 years in oak, the wine goes to bottle, where it remains until the end of the 4th year. Intensely ruby red, it offers equally intense aromas of blackberries, dried plums and hints of dark chocolate, earth, tobacco and sweet spices. Full-bodied with nice complexity, strong tannins but not drying. Full and round mouthfeel with a long and great finish. 15.5%
- (3,4) **Chateau Blaignan Medoc 2016** FRANCE  
(*55% Cabernet Sauvignon, 45% Merlot*) From an ancient 247-acre estate in northern Medoc that earned its "Cru Bourgeois" in 1932 and has been in the same family since the 1700s, this vineyard has a fine pedigree. The wine is of an intense color. The nose is fruity with pronounced notes of blackcurrant, black cherries, and a hint of spice. Full-bodied; shows structure and velvet tannins on the palate that make it a wine to drink young or to keep a few years in cellar. 14.5%
- (5,3) **Ferrer Bobet, Priorat 2015** SPAIN  
(*65% Carinena, 35% Garnacha*) Glorious, floral bouquet with very pure scents of cassis, blueberry & violets, all with pixelated delineation, almost Margaux-like in style. Medium-bodied palate with very fine tannins. Taut on the entry, quite linear, then fanning out with sappy dark berry, cassis & all-spice. Very well-balanced; long & persistent towards the finish. Aged in new oak from French Burgundy coopers with a fine grain and a light-medium toast. 14.5%
- (6,1) **Bodegas Del Paramo El Medico, 2011 Prieto Picudo** SPAIN  
100% Prieto Picudo exclusively from vines over 80 years old in Castilla y León. Malolactic fermentation and aging for 9 months takes place in new French oak. The grapes' aggressive acidity and fruit easily match the complex oak character now, while promising an excellent future. Among Spain's most interesting and unique fine red wines. 13.5%

# MORE REDS

(3,3) **Château Boutisse** FRANCE  
**Grand Cru 2016 Saint-Émilion (right bank Bordeaux)**  
*(90% Merlot, 5% Cabernet Franc, 5% Carmenere)*

While the left bank of Bordeaux is characterized by Cabernet Sauvignon the right bank is characterized by Merlots like this one with savory, almost rustic aromas of cherry, tobacco and licorice. 13%

(5,1) **Stephane Brocard Gevrey Chambertin** FRANCE  
**Closierie Des Alisiers 2014 (Pinot Noir)**

The mature vines in the name of the wine are 40-years-old. The result is a firm structured wine although one with plenty of soft red fruits in the background. They are developing well, bringing with them acidity and good potential but ready to drink in 2018. 13%

(2,5) **Buglioni, il Bugiardo** ITALY  
**2015 Valpolicella Classico Superiore Ripasso**  
*(60% Corvina, 25% Corvinone, 10% Rondinella, 5% Molinara)*

This wine is a *Ripasso*—“repassed”. A portion of the grapes were de-stemmed, crushed and pressed immediately; the remainder are left to dry until November when they are vinified and then macerated for 20 days. In January, the *must* from the freshly vinified grapes are re-passed, following a traditional technique, and undergo 2nd fermentation. The two wines—the *ripasso* & the wine from the dried grapes—are then blended together, aged for 12 mos. in oak casks and 6 mos. in bottle. Dark ruby-red. Intense & elegant aromas of ripe fruit & spices with a hint of vanilla & tobacco. Warm, persistent flavors, velvety, harmonious. 14.5%

(5,2) **Caiarossa Pergolaia 2011 IGT Toscana** ITALY  
*(80% Sangiovese, 8% Cabernet Franc, 7% Cabernet Sauvignon, 5% Merlot)*

Following the Tuscan tradition, Sangiovese dominates in this blend, shaping Pergolaia into a wine of intense bouquet, seductive body with soft tannins and superb depth. 13.5%

(4,3) **Cantele, Amativo, 2011 Apulia** ITALY  
*(60% Primitivo, 40% Negroamaro)* California's Zinfandel wines came about when immigrants from Puglia brought cuttings of Primitivo vines in the 19th century. Here it's blended nicely with Negroamaro for a wine of powerful red berry flavors and smooth tannins. 14%

(4,1) **Paolo Conterno Barolo 2012 (100% Nebbiolo)** ITALY

A gorgeous effort in this vintage. This bursts open with aromas of dark cherries and strawberries followed by minerals, fresh cut floral and a touch of new leather. On the palate this shows a fantastic ripeness at its core with incredible overall structure, balance and poise along with a silky, finessed mouthfeel from start to finish. This single vineyard Barolo from the Gines-tru Cru is already quite accessible and will only need minimal cellaring before begins to show its best. 15%

(3,5) **Domaine Faury, St. Joseph Rouge, 2017 Northern Rhône (Syrah)** FRANCE

NYTimes wine editor Eric Asimov calls the Saint Joseph appellation the next best wine in the Northern Rhone, and Domaine Faury the best value among the producers. It's from the town of Chavanay at the north end of the appellation, far from the original six communes, yet because the grapes are also from granite hillsides, it displays the signature peppery, spicy, olive & herb flavors. 13%

(6,5) **Ettore Germano Barbera d'Alba Superiore 2015 (100% Barbera)** ITALY

The Germano family has owned 6 hectares of land near Serralunga d'Alba, in the heart of the Barolo area, since 1856. Sergio Germano took over operations in 1985, following his schooling at the prestigious Scuola Enologica di Alba and he's made his mark in the famed hills of Barolo, Alba, and Langhe. His deep humility expresses a deference to the vineyard that shows itself in the finished wines—unique and thoughtful expressions of their varietals and soil. This Barbera is a classic example: ruby red with a fruit-forward bouquet. Bright red fruits jump out of the glass with a touch of spice and earth. Medium-bodied with soft tannins and distinct acidity, it glides effortlessly over the palate into a subtle, complex finish. 14%

(6,6) **Gigante Schioppettino DOC 2012** ITALY

Made from 100% Schioppettino grapes, harvested in a vineyard located at Corno di Rosazzo, Friuli Colli Orientali. The most credible explanation of the term *schio* is ripe grapes that crackle when chewed due to the thick and taut skin. It also called *Ribolla Nera*. Traditionally the Schioppettino was drunk young, appreciating its marked acidity, the unobtrusive tannic component, and full body. But many producers have shown the vine to be capable of evolving elegantly with moderate aging, releasing its most significant trait—a beautiful fruitiness accompanied by an intriguing, elegant spicy vein reminiscent of black pepper, a characteristic associated also with some expressions of syrah.

(2,2) **R. Lopez de Heredia Tondonia Reserva, 2005 Rioja** SPAIN

*(70% Tempranillo, 20% Garnacha, 5% Manzueta & 5% Graciano)* Musky nose with red and dark berries, rose oil, & hints of Asian spice leads to juicy raspberry & rose flavors, all framed by silky tannins that fade into sweet fruit in the finish. 12.5%

(1,6) **Monte Zovo 2013 Amarone della Valpolicella** ITALY

*(Corvia, Corvinone, Rondinella)* Hits all the right buttons in terms of fruity softness and richness. Grapes remained in their drying facility for 120 days; wine aged 18 months in oak casks, 12 months in bottles. A densely extracted red wine offering a full court of aromas with plump cherry, dried blackberry, bitter chocolate, and exotic spice front and center. Immensely rich and succulent mouthfeel with superbly round and soft fruit flavors. 16%

(5,4) **Pietradolce Etna Rosso Archeneri 2016 (100% Nerello Mascalese)** SICILY, ITALY

From a single vineyard reaching to 2952 feet above sea level and 90-year-old vines. Ripe and fruity on the nose, with distinct spicy and balsamic nuances. On the palate: bright acidity, notes of dried orange peel and dark berries. Excellent volume, depth and structure, great mouthfeel and finesse; clear and vivid finish. 13.5%

(1,5) **E. Pira & Figli, 2014 Dolcetto d'Alba (Dolcetto)** ITALY

Ruby red with purple reflections and aromas of flower and fruit with hints of violet and small red fruit. Dolcetto means “little sweet one” in Italian but don't be fooled, this is a dry wine. This property has been producing wine for over 1000 years. They produce only 300 cases of Dolcetto a year, making this a rare find. 12.5%

(1,4) **Quinta da Costa do Pinhão 2015 Douro DOC (Touriga Franca, Touriga Nacional, Tinta Roriz)** PORTUGAL

This wine has a terroir-sluced character with earth, graphite, violets, juicy blackberry and sour cherry/plum. Gently soft, spicy, cedar-flecked tannins have presence and texture without inhibiting the flow. Persistent, fresh, mineral, salty, subtly sour acidity. It brings lovely energy to the palate. 13%

(2,7) **Castello dei Rampolla 2016 Chianti Classico (Sangiovese, Canaiolo)** ITALY

Family owned since 1739 and using biodynamic methods, this is one of the great Chianti properties. Poised & balanced, with enticing floral aromas and pure red fruit flavors, this offers chewy black cherry and red plum sensations and vibrant acidity, with undertones of leafy herbs and baking spices. Aged for 12 mos. in large Slavonian oak casks, with small percentages of Cab. Sauvignon & Merlot, this is pleasurable now and will improve for several more years in bottle. 13.5%

(5,5) **Domaine Raspail-Ay, 2015 Gigondas** FRANCE

*(80% Grenache, 15% Syrah, 5% Mourvedre)* Dominique Ay, the proprietor of this 40-acre domaine in the Southern Rhone produces only 8000 cases of this superb Gigondas annually. Perfume of black raspberry, cherry compote, tobacco, lavender and spices. Ripe, generous and rich on the palate with notes of dark fruits and licorice and black pepper. Silky tannins, ripe and supple, are mellowed by 20 months minimum in huge ancient oak foudres followed by additional aging in demi-muids. Impressive. Will pair with the heartiest of fare. 15%

(4,6) **San Felippo Brunello di Montalcino 2014** ITALY

This wine is just reaching its potential in 2021. Ruby red color, intense, complex and spicy aromas with dominant notes of cherry. The flavor is full, harmonious and persistent with dense and silky tannins. 14%

- (2,6) **Michele Satta, Bolgheri Rosso 2017** ITALY  
(30% Sangiovese, 30% Cabernet Sauvignon, 20% Merlot, 10% Syrah, 10% Teroldego)  
This boasts aromas of red berry, Mediterranean herb and green peppercorn. The juicy bright palate offers raspberry, cinnamon and white pepper alongside lithe tannins and fresh acidity. The Maremma vineyards benefit from being close to the sea and its cool breezes. 13.5%
- (3,7) **Domaine des Sénéchaux Chateauneuf-du-Pape 2016** FRANCE  
(47% Grenache, 32% Syrah, 19 Mourvedre, 2% Cinsault & Vaccarèse)  
This wine and this vintage has the critics raving! In this wine, complexities of forest floor, moss, licorice and sweet spice lend complexity to pristine cassis and black cherry. It's a succulent wine laden with rich black fruit and ripe, integrated tannins that murmur on the finish. Appealing already the wine should hold through 2028 15%
- (3,2) **Julien Sunier 2016 Morgon (100% Gamay)** FRANCE  
This wine hails from two different parcels, both of which are 50+ years of age. Like all of his wines, the Morgon is fermented in cement and raised in older Burgundy casks that Julien buys from his old mentor, Christophe Roumier in Chambolle. The 2016 is beautifully expressive already on both the nose and palate, with the bouquet wafting from the glass in a fine blend of cranberries, red plums, lovely soil tones, violets, bonfires and a touch of mustard seed in the upper register. On the palate the wine is fullish, tangy and still young, with fine intensity of flavor, moderate tannins, good acids and a long, tangy and youthful finish. 13.5%
- (3,6) **Domaine A. et P. de Villaine Les Montots, 2016 Mercurey (Pinot Noir)** FRANCE  
In the Mercurey region in the Côte Chalonnaise of Burgundy, these Pinot Noir vines are 40-50 years old, making for concentrated juice and a beautiful Old World expression of the varietal. 13%
- NEW WORLD**
- (6,2) **Band of Vintners 2017 Consortium Napa Cabernet Sauvignon** CALIFORNIA  
(85% Cabernet Sauvignon, 8% Merlot, 7% Cabernet Franc)  
Made by a group of Napa Valley winemakers and industry folk who gather monthly to talk wine, including Dan Petroski and Stephane Vivier, this is impressive at any price, overdelivering in every way. The 2017 vintage is one of great complexity and finesse. Intense cassis and blackberry aromas make for an intriguing and elegant nose. This wine is fresh and balanced on the palate, with a very fine and spicy texture. It is layered with black pepper and blue fruit. Aged 15 months in French Oak. 14.5%
- (1,2) **Mauritson 2019 Dry Creek Zinfandel** CALIFORNIA  
(85% Zinfandel, 15% Petite Syrah) This wine opens to an engaging bouquet of fresh blackberry, lilac blossom, powdered sugar and a pulse of dried herb. Black cherry, shavings of vanilla pod with ground coffee marry perfectly with the refined tannins and beautiful staying power of this wine! Enjoy for the next 7-10 years. 14.75%
- (6,3) **Martin Woods, Jessie James Vineyard 2016 Pinot Noir (Eola-Amity Hills)** OREGON  
The grapes are dry-farmed—without irrigation—and the wines are aged in neutral Oregon oak. Exceptionally fragrant, with whiffs of violets, mint and body powder. Supple on the palate, the scents segue into flavors of rose petals, raspberries, red plums. The finish is as smooth and soft as the entry, with a gentle dusting of cocoa powder. Only 180 cases bottled. 13.7%
- (2,4) **Thackrey Petite Syrah 2008** CALIFORNIA  
Sean Thackrey is one of the most influential and interesting people in the Bay Area food and wine community. Since 1980, he has been producing wines that are extraordinary: not only for quality and complexity, but also because he utilizes unique winemaking techniques, often drawing from historic, sometimes ancient, practices from all over the world. Sean sources grapes from many locations throughout California, and makes all his wines by hand (touching every grape) at his small Bolinas winery. Self-taught and fully reliant on his intuition and senses, Sean is the antithesis of corporate wine-making. *continued*

This wine is like nothing you've drunk before. Rich and dense with gorgeous texture and balance. Notes of blackberry, cherry, pepper and spice with balanced tannins, oak and acidity. 15.3%

- (1,1) **Walt 2018 La Brisa Sonoma (Pinot Noir)** CALIFORNIA  
Articulating the signature characters of Sonoma: vibrant and opulent with underlying brightness and length to the palate. Teeming with ripe red berries & spicy toasted aromas, the wine is lush and persistent on the mid-palate, long-lasting and delicate on the finish. The vineyards in the La Brisa blend, each blessed with cool maritime conditions and limiting soil profiles, are farmed meticulously for low yields and balance in order to capitalize on their distinctive sites. The wines are never racked and during the long malolactic fermentation, they top and stir each barrel weekly. Prior to bottling, they blend the wines without fining or filtering. 14%
- (1,3) **Zuccardi Zeta 2014** MENDOZA, ARGENTINA  
(Malbec 85%, Cabernet Sauvignon 15%) This blend presents intense red-violet color, a complex nose that highlights ripe black fruit aromas such as blueberries and blackberries; and subtle herbal notes. Round in mouth with firm and mature tannins that give structure to the wine. Fresh and elegant due to great acidity. Long finish. 15.1%

## OLD WORLD

- (C1) **Abbazia di Novacella Praepositus 2019 (Kerner)** ITALY  
Abbazia was founded in 1142 by the Augustinian Order of Canons Regular. The Augustinians are not monks in the most familiar sense: although they have taken vows of poverty, chastity and obedience to their superiors, they also work to support themselves as a part of their community—the Abbey not only grows grapes for winemaking, but also apples & vegetables; there is also a small school devoted primarily to studies of viticulture. The abbey's reputation as a winery is stellar & international. In 2009, Italy's influential *Gambero Rosso* named Celestino Lucini, the abbey's enologist "Winemaker of the Year". This Kerner is stunningly clean and interesting, showing electric acidity, a creamy minerality and brilliant citrus & tropical flavors and aromas. Big structure, un-oaked, and very food-friendly. 14%
- (C2) **Avanthia, Avanthia Godello 2015 Galicia (Valdeorras) (Godello)** SPAIN  
The lesser-known Godello grape of Spain brings lemon & chamomile forward to the nose and on through the palate. Nuanced new oak delivers delicately creamy, perfect texture with an ethereal finish. 13.5%
- (C3) **Domaine Des Baumard 2018 Savennières (Chenin Blanc)** FRANCE  
Domaine des Baumard produces some of the finest examples of Savennières. Jean Baumard, and now his son, Florent, are universally regarded as the finest winemakers in the appellation. Their wines are among the most unique and rewarding in the world: honeyed, dry whites of unmatched concentration, perfume, and longevity. 13%
- (C4) **Emile Beyer, Tradition, 2015 Alsace (Gewürztraminer)** FRANCE  
Family winemaking estate since 1580—14 generations! With a touch of residual sugar, this "Gewürtz" is off-dry & wonderfully balanced with firm crisp acids. Aromas & flavors of flowers, citrus, & honey. Nice minerality. 13%
- (C9) **Jean-Marc Brocard, 2017 Vau de Vay, Premier Cru Chablis (Chardonnay)** FRANCE  
Vanilla and crisp minerality play together in this ripe wine with a steely core. Intense acidity, a lively, bright texture plus a flinty edge that will allow it to age well. Brocard is a pioneer in Burgundy in embracing biodynamic farming practices. 13%
- (C5) **Broglia, Bruno, 2017 Gavi (Piedmont) (Cortese)** ITALY  
If Barolo and Barbaresco are Italy's answers to claret, then Gavi di Gavi is its reply to Chablis. Cortese is an indigenous variety that produces delicate, herbaceous and apple-scented whites. Medium-bodied, dry, medium acidity, moderate-high intensity, medium-long finish, peach, almond, wet stones. 12.5%

- (C16) **Caiarossa Bianco IGT 2015** (*Viognier & Chardonnay*) ITALY  
Rhône meets Tuscany: an elegant blend of Viognier and Chardonnay from this Tuscan estate's chalkiest terroir. Vinified and matured in old French oak to enhance its complexity. The nose is redolent of stone fruits, with a honeyed, waxy quality and hints of white pepper. The palate shows surprising restraint, with a lean, crisp and utterly refreshing finish. This release will continue to evolve, but it is showing so much aromatic complexity and beautiful structure right now it's hard to resist. Fully organic and biodynamic. 13.5%
- (C7) **Domaine Chante Cigale 2016 Chateauneuf Blanc** FRANCE  
(25% *Bourboulenc*, 25% *Grenache Blanc*, 25% *Roussanne*, 20% *Clairette*, 5% *Picpoul Blanc*)  
Completing a clean sweep of excellent ratings, this is a medium to full-bodied, plump, succulent blend, 70% of which was vinified and aged in stainless steel. Orange sherbet aromas give way to mixed citrus, but they're all backed by zesty, briny complexity and fabulous length. While only 5 of the family's 40 ha are devoted to white wine grapes, they still produce more CNDP Blanc than is typical of their neighbors in the appellation. 14.2%
- ((C21) **Paul Cherrier Sancerre 2018** (100% *Sauvignon Blanc*) FRANCE  
This estate is located in the tiny, picturesque village of Verdigny, just northwest of the town of Sancerre. The hilltop parcels are planted on rocky Kimmeridgian limestone, that ancient ocean bed underpinning the Grand Cru vineyards of Chablis. This terroir produces wines of incredible length, purity, and minerality. The amount of clay in the soils varies by parcel and elevation, providing them with richer, fruitier Sauvignon Blanc and fruit that is more linear and mineral. 13%
- (C6) **Joh. Jos. Christoffel, Erben Urziger Wurzgarten Spatlese, 2017 Mosel** (Riesling) GERMANY  
From the region's steep slopes and of old ungrafted rootstock, this wine has attractive floral, apple and hazelnut aromas. The delicate texture of peach fruit is paired with vibrant acidity. Crisp, well-balanced, and eminently drinkable. 7.5%
- (C8) **Conreria d'Scala Dei Black Slate La Morera, 2015 Priorat Blanca** SPAIN  
(93% *Garnatxa Blanca*, 7% *Pedro Ximénez*) While chalky soils are not common in the Priorat, you can find them at higher elevations in the villages of Escaladei & La Morera as they border the limestone-rich Montsant range. A short period on the skins before pressing gives La Morera a textural quality to its apricot & herbal flavors, reminiscent of the Les Brugueres in miniature, while the soils make themselves known in the elegant and mineral backbone of the wine. 4000 bottles produced. 13%
- (C17) **Chateau de la Cree "Les Tourelles"** FRANCE  
(100% *Chardonnay*) Fresh and youthful with expressive notes of melon, white flowers, and linen. The palate is electric with layers of stone fruit and white peach. The mouthwatering mineral-driven finish is long and persistent. A beautiful Premier Cru Chardonnay from the Côte Chalonnaise region of Burgundy! 13%
- (C10) **Dopff au Moulin Reserve 2016 Alsace** (Pinot Gris) FRANCE  
Medium-dry Pinot Gris from some of Alsace's finest vineyards. Subtle spiced apple aromas; intense, slightly exotic flavours; long, full finish. An excellent food wine. The current winemaker represents the 11th generation producing w/the Dopff family vineyards dating back to 1574. 13%
- (C11) **Adega Eidos, Eidos de Padriñán 2018 Rías Baixas (Galicia)** (Albariño) SPAIN  
Super-crisp wine is light-bodied with flavors of mineral, green apples, hints of white pepper and a dry finish. 13%
- (C12) **Marco Felluga 2018 Collio Russiz Superiore** (Pinot Grigio) ITALY  
Golden yellow in color with glimmers of copper. Pronounced aromas of ripe apples and pears with a whiff of broom. In the mouth, a citrus-apple fruitiness plays off a crisp acidity that lingers on the palate. Aged on lees for 8 months. The world is awash in undistinguished Pinot Grigio wines. This is not one of them. 13.5%

- (C13) **Inama, Vigneti di Foscari 2015 Soave Classico (Veneto)** (*Garganega*) ITALY  
Intense yellow Soave with mineral, earth, and subtle citrus notes, from the smaller, historic portion (hence "Classico") of the greater Soave-producing region. 12.5%
- (C14) **Pascal Janvier Jasnières 2016 Chenin Blanc** FRANCE  
Pascal Janvier is one of those souls destined to make wine; originally a butcher, at age thirty he yielded to his inevitable fate. He & his wife almost single-handedly brought back the appellation of Jasnières from extinction—a good thing because Janvier's Jasnières are some of France's best-kept white wine secrets. Jasnières are known for lively fruit coupled with naturally racy acidity & pronounced mineral character; food-friendly but with tremendous ageing potential. Chenin for this bottling comes from 35-40 yr.-old vines planted in clay & limestone soils. Redolent with classic Jasnières tangy apple & citrus aromas and flavors, featuring white flower & almost saline mineral undertones and a pure core of fruit, with excellent length & focus on the finish. 12%
- (C15) **Weingut Jurtschitsch Loiserberg Kamptal Reserve 2015** (*Grüner Veltliner — Organic*) AUSTRIA  
A certified organic single vineyard reserve created by 100% spontaneous fermentation in 2000-liter barrels (local oak, old barrels) then spending 6 months on full lees before bottling. Intense but precise on the nose and very elegant and pure on the palate, revealing nice mineral freshness. Full-bodied, straight, and fresh. Subtle nose, while the palate shines with crisp, pure pear fruit and a herbal tinge of watercress and arugula with the notes of salty soy. Slender, poised and very enjoyable. 12.5%
- (C27) **Marchese Incisa Della Rochetta 2017 Roero DOCG Arneis** (100% *Arneis*) ITALY  
A terroir-driven wine, grown in the sandy soils of the Roero hills. Straw yellow, it expresses an unrivaled fruitiness, a delicate freshness and minerality. Immediate notes of caramel, tangerine and honeysuckle; middle notes of acacia, green apple and cedar. Palate: Full-bodied, smooth, crisp. Though aromas are sweet, the taste is far from it. Stone fruits and cantaloupe; grapefruit and fresh almonds. Fresh, with great persistence. 12%
- (C18) **Domaine Perrault-Jadaud (Loire Valley) Vouvray Les Grives Soules 2017** (*Chenin Blanc*) FRANCE  
2015 in the Loire is a great vintage, displaying lovely ripeness with just that twist of acidity to keep things fresh. The nose shows gorgeous quince, pear and honey aromas with wonderful minerality, to which a rich creaminess arrives on the palate, with an acidity keeping everything in balance. The finish adds hints of almond. It's just stunning. 13.5%
- (C19) **Prager Federspiel Steinregl 2016 Riesling** AUSTRIA  
Federspiel signifies a purely Wachau wine, fermented dry naturally between 11.5% and 12.5% alcohol. Steinriegl is the name of the vineyard sourced for this wine. Light yellow hue with greenish tones. Aroma is intense with notes of green apple, citrus and stone fruits. Very dry with mouthwatering acidity, medium body & minerality.
- (C20) **Shaya Habis, 2017 Verdelho (Rueda)** SPAIN  
A 100% old vine Verdejo with pungent aromas of fresh herbs, pear skin, lime, lees and spicy oak. Juicy and brisk, with tangy acids giving shape and lift to the oak-accented grapefruit, pear and smoke flavors. Finishes sweet, toasty and long, with a hint of anise. This wine was fermented and aged in 500- and 600-liter French oak casks, all of them new. 13.5%

## NEW WORLD

- (C28) **Chasing Harvest South Island Riesling 2017** N. Z.  
Chasing Harvest was created by husband and wife Michael Kush and Jennifer Kingen Kush from Chicago. “Chasing harvest” is a wine industry term that describes travel between the northern and southern hemispheres for extra vintage seasons in one year. Sourced from a single vineyard located in the heart of the Bannockburn subregion of Central Otago, this wine was crafted using experiences gained in the Mosel, Germany as well as in the New World. Hand-harvested and ripe clusters with minimal botrytis were sorted in the winery; the fruit destemmed and crushed was left to macerate on the skins overnight. Gently pressed the next day and after cold-settling, the wine was racked to very old neutral french oak barrels. Fermented long and cool, the wine was left with a very minimal amount of residual sugar to balance with the acidity. The wine remained on its lees over the course of the winter before being bottled in the spring. Only 45 cases produced! 12.5%
- (C22) **Mount Eden Vineyards 2015 Santa Cruz Mountains** CALIFORNIA  
(Chardonnay) Captivating aromas of yeasty baking bread, lime zest, wild sage. Full concentration on the palate without heaviness; the finish echoes the complexity of the aromas with a touch of oak and minerality. 13.8%
- (C23) **Farina Vineyards, Tres Sabores 2015 Sauvignon Blanc** CALIFORNIA  
Enticing & unusual, grown on a gentle hillside at 600 ft. w/an NE view. The aromatics are delicate, Manzanita-blossom-lovely, while the flavors are melt-in-your-mouth supple w/citrus zest from fermentation.

# ROSÉS

- (C24) **Maison Arretxea Irouleguy Rosé 2016** FRANCE'S BASQUE COUNTRY  
(80% Tannat, 20% Cabernet Franc)  
The mineral diversity of the soils in the Basque Irouleguy region lends an intensity to the wines, making them wild, earthy, tannic, rich in spicy aromas. Full southern exposure allows the grapes to achieve ripeness in these cooler climate vineyards. Each terroir is vinified individually through traditional methods to bottle four delicious cuvées. A “winter rosé”—deep in color, generous in fruit, with unusually pronounced tannins. 12%
- (C25) **Pasquale Pellisero Crose 2017** ITALY  
(100% Nebbiolo)  
Crosè is a hearty rosato made from Nebbiolo, the grape behind Barolo and Barbaresco. It has a bright character with ripe cherry-berry fruit balanced by crisp acidity. While structured, it's also very drinkable. 13.5%
- (C26) **Fattoria Sardi IGT Toscana Rosato 2017, Colline Lucchesi** LUCCA, ITALY  
(Organic Sangiovese & Cilieggiolo) Soft salmon pink. Crisp & refreshing on the nose, notes of wild roses, raspberries and melon with a fading aroma of cream. Luscious, refreshing, enjoyable with well-balanced minerality and acidity. Bright, fresh fruit on the finish. Certified Organic. 13%

**Francois Montand Brut Rosé** FRANCE  
An elegant marriage of fruit and toast that delivers a fine balance of vibrancy and depth. The creamy texture is decorated with a palate full of the red fruit flavors of cherry and raspberry ending with a long, crisp finish. For toasts or with any food. 13%

# SPARKLING

- (C30) **Charles Ellner “Carte Blanche” NV Champagne** EPERNAY, FRANCE  
(30% Pinot Noir, 30% Chardonnay, 40% Pinot Meunier)  
At first austere in structure, with raptier acidity. Flavors of black currant, slivered almond, white peach & candied lemon peel, intense and tightly knit, expand on the palate and linger in the vibrant, spiced finish. Fermented in stainless-steel tanks to preserve fresh fruit flavors, then left on their lees for a minimum of 4 yrs. to allow the wines to soften a bit, and fill out, and become beautifully drinkable upon release. 12%
- (C29) **L Mawby, Blanc de Blanc, NV** SUTTONS BAY, MICH.  
(Chardonnay) Larry Mawby is one of the most ambitious wine makers in northern Michigan's Leelenau County. His bottles have silenced naysayers who thought that sparkling wines of such quality could not come from the sandy hills overlooking Lake Michigan. We are impressed. Pale silvery golden with medium bubbles. Fruity baked peach, floral honey, & lemon tart aromas in a soft intro to a tart, but somewhat flat light-to-medium body. Racy kumquat and grapefruit notes and a wet-stone-tinged finish. Nicely structured and seafood-friendly. 11%
- (C31) **Saint-Hilaire Brut 2019, Limoux** FRANCE  
(Mauzac—locally known as Blanquette,—Chardonnay, Chenin Blanc)  
Thought to be France's oldest sparkling wine—made since at least 1531 by the Benedictine Monks at the Abbey of Saint-Hilaire at Limoux. This predates Champagne by over 100 years. Aromas of soft green apple, tangerine oil & faint yellow floral notes accented with hints of lavender. Medium carbonation and flavors of pear & apple. A hidden gem. 12%

**Francois Montand Brut NV** FRANCE  
Appears is pale gold with a hint of green and fine bubbles. Aromas of white flowers and citrus fruit give way to a creamy and smooth palate with flavors of freshly baked bread, golden delicious apples, and Meyer lemons. 11%
